

Activity

Hot-seat all (or some) of the characters from Prince Henry to find out their different perspectives on the events in the story.

The roles could be taken by a teacher, teaching assistant or a child.

Allow the children time to devise some questions before the characters take the hot-seat.

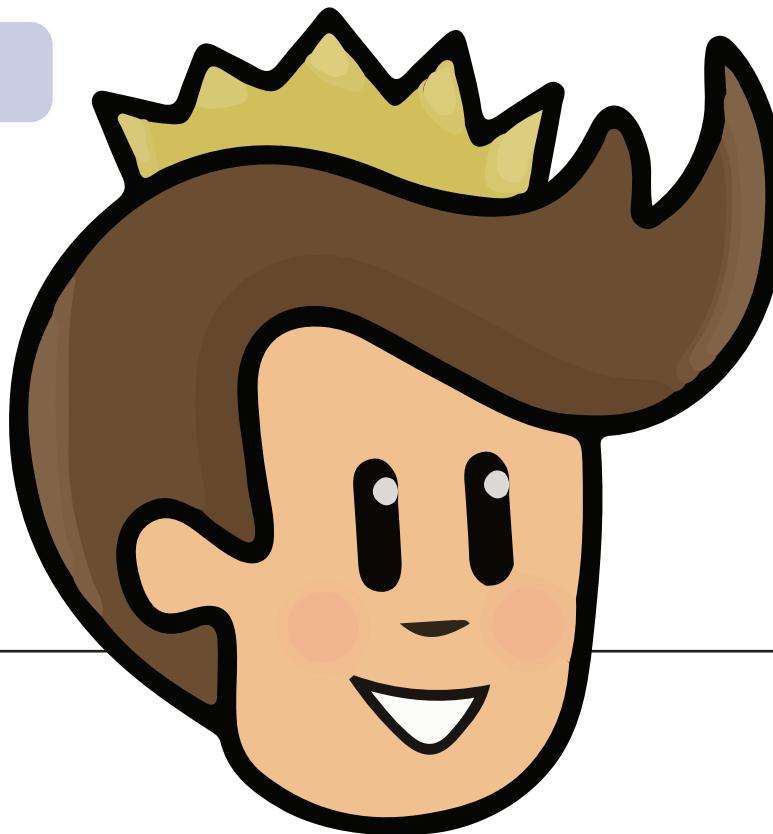

You can use the character crowns to help indicate the different characters.

Allow the character to retell the story from their point of view before being asked questions.

Worksheet

Follow the above activity with the 'See It Differently' worksheet located in the Pop'n'Olly member's area.

Character Crown: Henry

a.

b.
